OUTSTANDING TESTIMONIALS:

Springs Boys' High School

The Spice Project is one of our best fundraising events. It is encouraging to have the whole family involved in the project. For two weeks, we eat and sleep spices! It is well worth it for the school, and we are proud to be part of this amazing project.

Noah's Ark Independant Primary School - Mafikeng - NW

Señor Chef is a great school fundraiser! The products are of great quality. The team is well organised and friendly. We love being a part of Señor Chef.

Junior Primêre Skool De Aar - NC

Diens is uitstekend. Ouers is baie opgewonde en entoesiasties om produkte te koop. Die hamper pakke werk baie goed. Vir ons skool is dit finansieël 'n groot inspuiting.

Grantleigh Schools Curro Mposa - KZN

Absolutely one of the more successful fundraisers we have done. People really enjoyed the products!

Oranje Meisieskool - Bloemfontein - FS

Ek kontroleer die verkope vir die afgelope 5 jaar en jaar na jaar staan ek met verbasing en aankyk hoe ywerig die leerders met die verkope vorder. Die interne kompetisie tussen die klasse is n groot motiveerder. Ons het die afgelope 5 jaar gemiddeld R80 000 per jaar vir die skool ingevorder. Die produkte verkoop maklik, want dis kwaliteit!!!

Hermitage House, Addo - EC

Being a very small school we raised more funds than any other event this year for a lot less effort. A fun and easy way to get everyone involved. Senor Chef is a must for any school looking to benefit from fundraising by the entire community and not just school parents.

Laerskool Stellenbosch - WC

Die sukses van hierdie projek is beslis die goeie kwaliteit van die bruikbare produkte. Dit het ons instaat gestel om in 'n baie kort tyd genoeg geld in te samel. Hierdie instansie verstaan die werking van 'n skoolopset.

THE TRUE STORY OF 2 SCHOOLS IN UPINGTON:

For 23 years, Fanie Malan Preparatory School and Op die Voorpos Primary School ran our fundraising project every year. Each school achieved over R3.7 million in sales and earned more than R920,000 in commission - an average of more than R160,000 in sales per school, per year. The two schools are now known as Upington Primary School and, in 2026, achieved over **R550 000** in sales in their first project as one school - more than three times their historic annual average. What an incredible example of what is possible when a school community comes together!

PRODUCTS YOU CAN SELL WITH CONFIDENCE!

Typical products and order examples:

A pupil places the following order:

R41

Ina Paarman's
Coat & Cook Sauce -
Lemon & Herb, 200ml

+

R135

Señor Chef
Braai Collection

+

R23

Biggi Salted
Microwave Popcorn, 90g

+

R31

Señor Chef
Mild Curry, 50g

+

R60

Walker Bay Spice
Worcester Sauce Braai Salt, 300g

= R290

Let's take an average size school with 600 pupils.
If each pupil only gets an order of R290 at their own homes, the total turnover is already R174 000. From this the school gets R174 000 x 25% = R43 500.
BUT WAIT: Each pupil receives 5 order forms. Imagine the turnover if each pupil returns all 5 completed order forms. A school can earn commission of far more than R217 500 in 2 weeks!
